

# MAY SAILING NEWS

---

## Upcoming events

### **Payment due for Cowes Week Moorings 20 May**

Cheques made out to Victory Class Ltd (£190.45) required by this Tuesday please as I need to send these off to Cowes.

Don't forget that Early Bird entries for Cowes need to be in on 31 May.

### **Visitors Race**

The Visitors Race is postponed until Thursday 23 June. I appreciate that next week's date was too early in the season for most and will make sure that we don't schedule this in May next year. Please could you all let me know as and when you have a Visitor lined up for the evening or whether you have a space on your boat.

Tuesday (24 May) will be a one off trophy race.

### **Bembridge**

This is all booked with Bembridge Sailing Club and we are hoping for a good turnout for the passage race as well as the dinner at the Club in the evening. This is a combined event with PSC. I have now been sent menus and will circulate these under separate cover. Please could you let me know by Friday 27 whether you will be attending. The accommodation list is below:-
