

Request for Technical sub-committee to rule on an issue

Requests for the Technical sub-committee (TSC) to look into a change to the Class Rules, Class requirements or another Technical (sailing) matters are considered on a case by case basis. If you'd like the TSC to look in to a particular issue then the process is as follows:

- i) Owner only places query with TSC. Please print out this pdf and complete the section on the bottom. Return to the TSC Director or the Class Captain
 - ii) Tech Sub Director informs owner that query received and date of discussion
 - iii) Tech Sub Director informs Directors of query
 - iv) TSC discuss and decide
 - v) Tech Sub Director inform Directors of point iv. and Directors approve or otherwise
 - vi) Owner informed of Directors decision by Tech Sub Director
 - vii) Possible outcomes:
 - a. No action required
 - b. Trial – details released: who, with what, how long
 - c. AGM / EGM approval by owners required
