## Race reports from the 2020 season

Unfortunately, the Coronavirus pandemic disrupted the 2020 season.

### 23rd April

If there was a race report for tonight, AP would definitely be involved and we would be off to the Bridge for a beer...

## **28<sup>th</sup> April**

5-8kts from the East tonight, what set course do you think we would be doing tonight ?  
Off to gleeds perhaps ? Or Mary Rose?

## **6<sup>th</sup> June**

Today two Victories Z77 and Z48 left hibernation and braved the Camber slip to be launched by Sid in his Land Rover and Ian, Jim, Hugh, Munch and Phil plus many onlookers  
Two more Victories will hopefully be launched next weekend!  
Both launches strictly followed social distancing guidelines  
Stay safe and hopefully we will be out racing soon 🙏🙏

### **13<sup>th</sup> June**

The Victory Class at its best again today with three boats launched for their well-being by the efforts of our very own socially distanced and hi viz launch team...
